

Delaware's Capital Region is Group-Friendly!

At a time when tour operators are looking for unexplored territory and perhaps something fresh and different, **Delaware's Capital Region** is certainly a prime place to plan on visiting. Located in the "heart" of Delaware, Kent County and the state capital, Dover, can serve as your destination or as your hub to visit other places in the state.

In Delaware's Capital Region you'll find:

- An unspoiled, un-commercialized **Amish community** with shops that welcome visitors.
- Two casinos, **Dover Downs Hotel & Casino** and **Harrington Raceway & Casino**, both with sports betting and harness racing and over 5000 slot machines. (Table games to come in 2010!)
- **Dover International Speedway**; 2 NASCAR races per year and track tours. Drive your own stock car with **Monster Racing Excitement** here at the Monster Mile.
- A 15,000 wildlife refuge, **Bombay Hook**, where you can experience the peace and beauty of thousands of migratory birds, walking trails and viewing stations.
- **Walking tours** of our historic district with costumed guides that will pull you back into the past.
- Festivals and special events year-round.
- Tax-free shopping and dining.
